

Design of the Carpathian Ecological Network – Carpathian Biodiversity Information System

2nd expert meeting

31 May – 1 June 2007, Brasov

Purpose of the meeting

Assessment of the first phase of biodiversity data collection and logistic of collection of further data

Draft Agenda

31 May 2007

- | | |
|---------------|--|
| 13:00 – 13:10 | Welcome, Anna Guttova, project coordinator, Jan Seffer, head of the Work Group |
| 13:10 – 13:30 | Report on the process of data collection in Ukraine, encountered problems – Bohdan Prots, national coordinator |
| 13:30 – 13:50 | Report on the process of data collection in Serbia, encountered problems – Goran Sekulic, national coordinator |
| 13:50 – 14:10 | Report on the process of data collection in Romania, encountered problems – Ioan Abrudan, national coordinator |
| 14:10 – 15:00 | General assessment of all the gathered data (quality, quantity), Rasto Lasak, Jan Seffer |
| 15:00 – 15:30 | Discussion about the questions and problems |

15:30 – 16:00 Coffee break

16:00 – 18:00 Discussion in parallel sessions

Session 1

Assessment of all the gathered data – biotopes and plant species (quality, quantity, encountered problems in detail) – Viera Stanova, Jan Seffer

Session 2

Assessment of all the gathered data – zoology (quality, quantity, encountered problems in detail) – Milan Janak, Rasto Lasak

1 June 2007

9:00 – 9:10 Introduction to the Day 2
9:10 – 9:30 Logistic of the 2nd phase of the biodiversity data collection – database forms – Rasto Lasak
9:30 – 10:00 Discussion
10:00 – 10:20 Processing the biodiversity data into GIS layers, suggestion for organisation of the work – Rasto Lasak
10:20 – 11:00 Discussion
11:00 – 11:30 Summary of the work which was done, which is ahead, further deadlines, information about GIS training opportunities for relevant experts under BBI/Matra project for 2007 and 2008 – Rasto Lasak, Anna Guttova
11:30 Closing of the meeting – Jan Seffer

12:00 – 13:00 *Lunch*

13:00 – 13:10 Meeting of the CERI Management Planning Work Group: Opening – Milan Janák, head of the MP WG

13:30 – 15:00 Draft proposal of Training in Management Planning in the Carpathians
15:00 – 15:20 Conclusion and “To do” list

List of participants

Ukraine

Bohdan Prots - habitats
Ivan Kruhlov - GIS
Andriy-Taras Bashta - zoology

Serbia

Rastko Ajtic - zoology
Goran Sekulic – zoology
Predrag Lazarevic – botany, habitats

Romania

Dan Gurean - botany
Marius Popa - GIS
Tudor Stancioiu – habitats
Ioan Abrudan - coordination
George Predoiu – zoology

CERI and Daphne team

Viera Stanova – botany, habitats
Jan Seffer – habitats, botany, GIS
Rasto Lasak - GIS
Viera Chrenkova - assistance
Milan Janak – zoology
Mirek Kutal – zoology
Anna Guttova - coordination
