

Есограво – Lviv Екоправо – Львів

Olya Melen

What Ecopravo-Lviv (EPL) do?

- Advocacy
- International activities
- Education, awareness raising, law drafting
- Information dissemination, publications

How EPL can help:

- National legal expertise
- International expertise
- Educational, capacity-building facilities
- Spread of information

CERI possible role

- How CERI can help:

CERI- as resource center

- *scientific support* (e.x. Carpathian clearing house, database on biodiversity, scientific publications, recent research, sustainable development examples)
- legal support (on national or international legal instruments, aid in drafting of formal documents, threats tackling etc.)
- *financial support* (CERI Secretariat projects, CERI brokered projects, CERI authorized project)
- Relevant institutional and NGOs database dealing with Carpathians.

Legal support

- Providing legal expertise in projects
- Answering and dealing with urgent threats from Carpathian ecoregion
- Legal aid to members
- Carpathian convention implementation and enforcement
- Trainings, seminars, publications on legal issues of Carpathian Convention and biodiversity protection
-

CERI-as communicator

- Source of information on new projects, new threats, new ideas, .. Etc.
- Mailing list of Carpathian NGOs – members of CERI

CERI as lobbyist ?

- To lobby interests of its members
- To lobby conservation targets
- To bring issues to the attention of international institutions (EU, IUCN,)
- CERI as rep-s of Ecoregion NGOs in international meetings, talks, working groups

What's CERI role in Carpathian Convention process + Carpathian Convention Secretariat ?
